

Symbiome Brand Guidelines v1.0

Based on the supplied Symbiome visual aid.

1. Brand Foundation

Brand Promise: Crafted by Science. Powered by Nature.

Positioning: Premium Indian pharmaceutical company blending scientific innovation with nature-inspired healthcare.

Personality: Scientific, Premium, Trustworthy, Human, Progressive, Clean.

2. Brand Values

Science First • Patient Centric • Innovation • Quality • Sustainability • Integrity.

3. Logo Guidelines

Use the primary logo with leaf icon. Maintain clear space equal to the height of the 'S'. Minimum width: 25 mm print or 140 px digital. Use only on white, light grey or light green backgrounds. Never stretch, rotate, recolour or add effects.

4. Colour Palette

Primary Green #7FAF2D

Dark Botanical Green #0E6B63

Charcoal #1E1E1E

White #FFFFFF

Accent Gold #D6A32D

Recommended ratio: White 60%, Green 30%, Dark Green 8%, Gold 2%.

5. Typography

Headlines: Cormorant Garamond Bold (40–48 pt).

Subheads: Cormorant Garamond Semibold (28–32 pt).

Body: Aptos/Helvetica Neue (11–12 pt).

Captions: 9 pt.

6. Photography Style

Natural light, doctors, laboratories, botanicals, microscopy, clean packaging, minimal backgrounds. Avoid low-quality stock imagery, clutter and heavy effects.

7. Graphic Language

Combine molecular structures with botanical motifs. Use rounded shapes, thin-line icons, white space and evidence-led infographics.

8. Tone of Voice

Confident, evidence-based, premium, simple, ethical and patient focused. Avoid exaggerated claims.

9. Do's

Use generous white space; maintain consistent colours; prioritise readability; use premium imagery; communicate science clearly.

10. Don'ts

Do not distort the logo, use fluorescent colours, overcrowd layouts, mix many fonts or use cartoon graphics.

11. Applications

Apply these rules consistently across packaging, visual aids, MR leave-behinds, presentations, websites, LinkedIn, exhibitions and stationery.

12. Recommendation

Develop a complete 12–20 page master brand book with Pantone values, packaging grids, social templates, PowerPoint master, icon library and photography examples.
